Law and Humanities GU Subject Rankings 2025

PREFACE

Welcome to the Law and Humanities edition of the GU Subject Rankings 2025. This handbook release pays tribute to the institutions that foster critical thinking, ethical judgment, and cultural understanding in a rapidly evolving global landscape. Through robust legal education and humanistic inquiry, these institutions empower future leaders to address complex social issues.

At GU, our commitment to academic excellence and innovation is at the heart of every initiative we undertake. The GU Subject Rankings 2025 are the result of rigorous research, comprehensive data analysis, and invaluable contributions from academic communities around the globe. By examining a diverse array of metrics — from research output and student enrollment to international collaborations and funding patterns — we aim to provide a transparent, data-driven snapshot of the evolving landscape in higher education. This endeavor not only highlights outstanding achievements but also fosters an environment where continuous improvement and interdisciplinary exchange can thrive.

We extend our heartfelt appreciation to the educators, researchers, and institutions whose passion and dedication have enriched this project. As we navigate an era marked by rapid technological advancements and global interconnectedness, these rankings serve as a benchmark for progress and a source of inspiration for future innovations. Our hope is that this release-document not only celebrates current successes but also catalyzes new collaborations and ideas that drive excellence in every discipline, paving the way for a brighter, more inclusive future in education worldwide.

The GU Subject Rankings 2025 for Law and Humanities acknowledges the pivotal role that legal studies and humanistic inquiry play in shaping just and equitable societies. This edition celebrates the institutions that offer rigorous academic inquiry into law, ethics, cultural studies, and social justice. We are grateful for the contributions of scholars and practitioners who have enriched this ranking process.

• Highlights:

- Enrollment numbers have risen to nearly 1.6 million students across diverse programs.
- There is a growing emphasis on digital rights and cyber law, with specialized courses increasing by 10%.
- Cultural studies and social justice programs have expanded, reflecting a 15% increase in dedicated research funding.
- This edition offers a detailed overview of these trends, presenting data and insights that underscore the importance of legal and humanistic studies in addressing global challenges.

Key Stats:

- Globally, over 1.5 million students were enrolled in law and humanities courses.
- There has been an 8% increase in interdisciplinary programs linking law with social sciences and technology.
- International academic exchanges in humanities grew by 12%, reflecting a vibrant global dialogue.

During 2024–25, Law and Humanities programs have expanded to meet global challenges such as human rights, digital privacy, and cultural transformation. The 2024–25 period has seen notable trends in Law and Humanities education, characterized by a commitment to interdisciplinary research and international collaboration.
